AMSTERDAM

PRINCIPAL

What is a principal?

A principal is an unselfish, dedicated person who puts in extra time and effort for the well being of the school. For this reason, we feel that our principal, H. Ray Shipley fully deserves this title and position.

Besides being our principal he taught journalism and was the advisor to the student council.

Mr. Shipley joins in all community activities, and is very active in the Mormon Church. He enjoys ice skating, bowling and fishing.

Mr. Shipley is a person that students feel free to come to with any or all of their problems. We owe him many thanks for his advice, effort, and decisions that have made our school one that we can be proud of and that deserves our loyalty.

OFFICE STAFF

Dick Stanford, Dick Barnes, Richard Baker, Anna Hankins, secretary; Jay McReynolds, Sandra Baker, Robert Bennett

ORGANIZATION WITH EFFORT

The office staff has been a big help this year. They file letters and envelopes, run off mimeographs, take care of the Book Store and help Mrs. Hankins, the new secretary, who is doing a fine job.

Mrs. Hankins does the most important office work, keeps the office staff busy and shows them how to do things they do not know how to do or need brushing up on.

Her job is an important one and her services are greatly appreciated by all. The office has seen many changes since Mrs. Hankins has directed the office staff in a beneficial way.

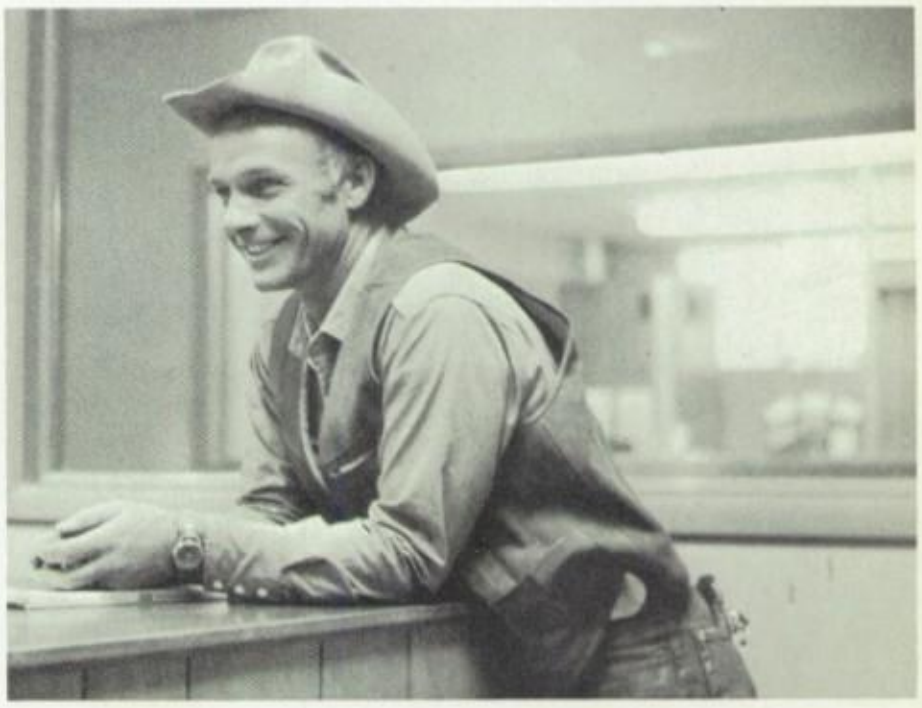
SCHOOL BOARD

For the year 1965-66, the Mayer School Board consisted of Henry Cordes, President, Edgel Bennett, clerk, L. A. Baker, retiring member, and Annetta Witting, newly elected this past October and who took Mr. Baker's position on the Board. We the yearbook staff salute them for their devoted service.

Edgel Bennett has been a member of the School Board for 10 years. Many hours have seen her at work at school and at home, making her contribution to Mayer High School.

. . GIVES TIME AND EFFORT

Henry Cordes, President of the School Board, has been a member of the School Board for 7 years. His decisions have benefited the Board, district, and this community.



L. A. Baker has aided and served the entire community, school, and district in a great many ways. He is a Public Service Representative and devotes long hours to this job as well as to making our school a better one. He retired from the School Board this year after serving for 6 years.

Mrs. Witting newly elected to the School Board, has taken an oath of responsibility and trust to make decisions for the good of this school and students.

FRESHMAN CLASS

As the year began, the freshmen were initiated by upper classmen. They were put through many ordeals, including a long hike up the hill to paint the "M", suffering through the numerous "air raids", being a target for spraying water, and praising their superiors to no end. All was in fun and the Freshmen soon were back to normal for a dance held in their honor by upperclassmen.

Freshman activities consisted of several dances, among them a Turkey Hop in November, chaperoned by their sponsor, Mr. Shelton, and a bake sale that was very successful. They also had a humorous assembly that was enjoyed by all.

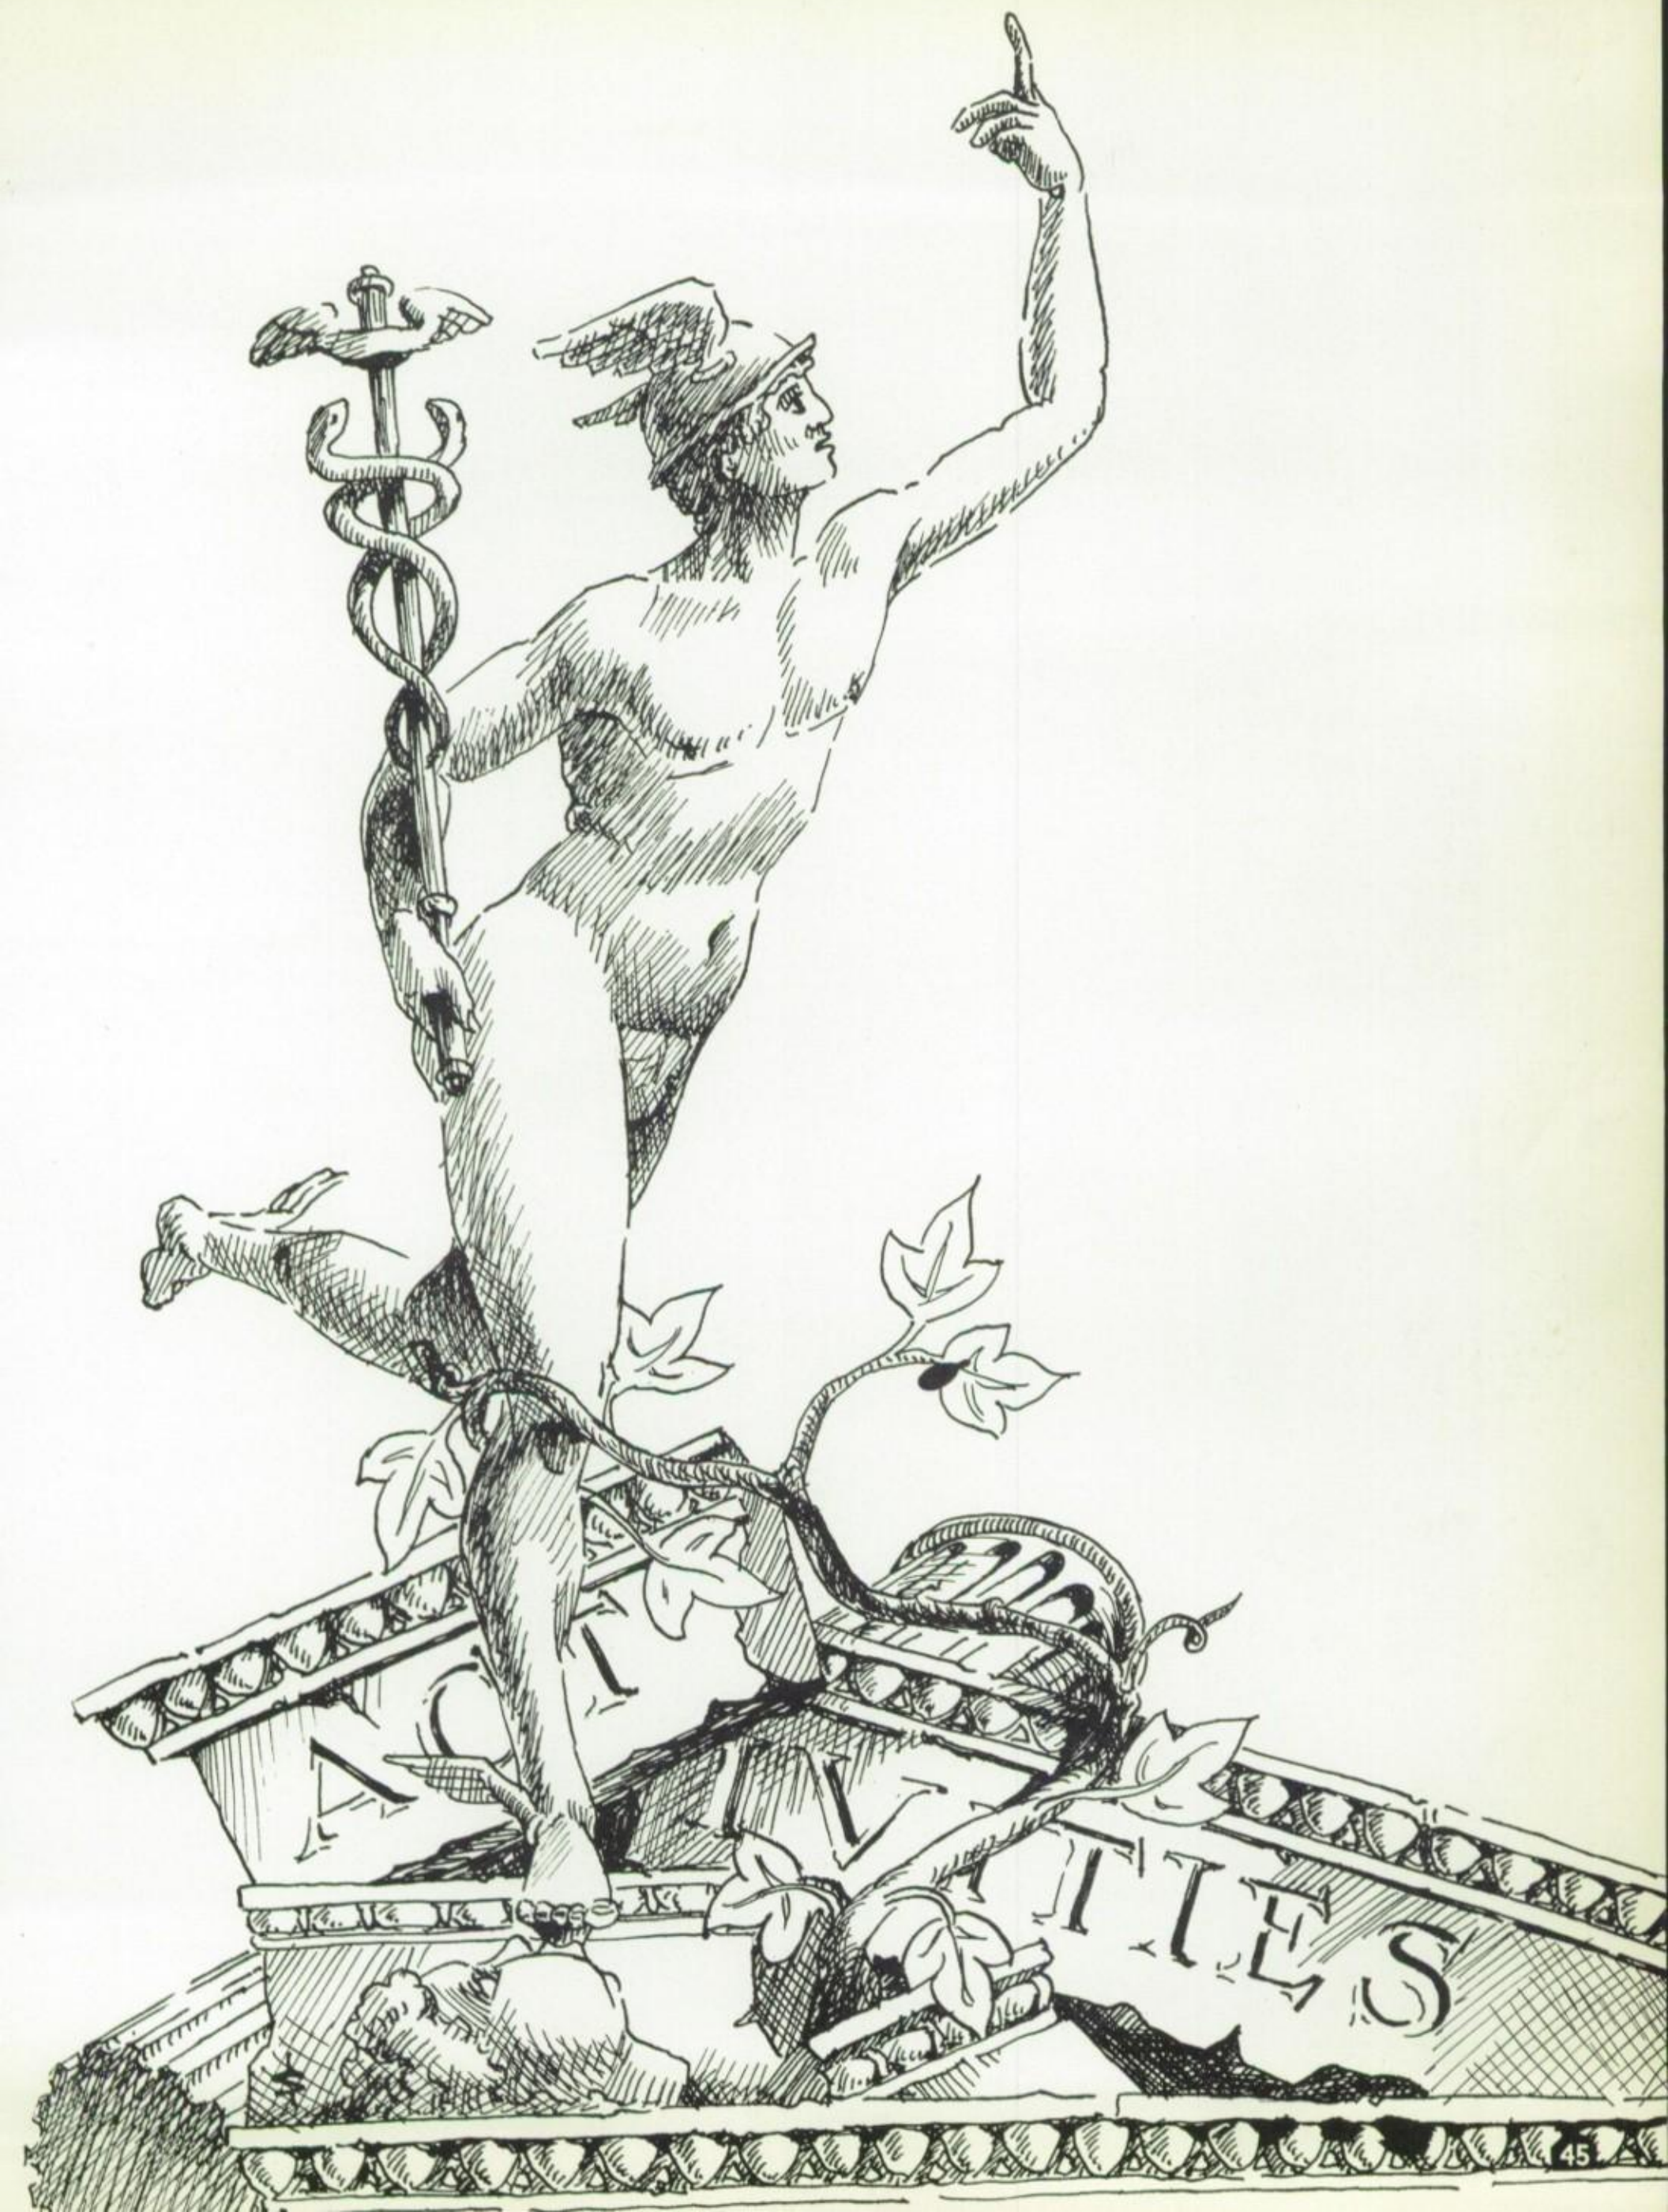
Dick Stanford was elected President and Richard Baker was elected Treasurer. Coach Windham was the sponsor.



ACTIVITIES

MR. & MISS WILDCAT

Chosen as Mr. & Miss Wildcat were Jonathan Davies and Sandra Baker. These two have been good friends to all and have done a lot for our school.

Jon, a Senior, was President of the Student Body, Editor of the CAT TRACKS, and co-captain of the basketball team. Sandra, a Sophomore, was Secretary of the Student Body and a cheerleader.

Richard Baker and Sharon Dyer, and Robert Bennett and Anita Cordes were the runners-up for Mr. & Miss Wildcat.

FRESHMAN INITIATION

Initiation left the usual mark on the freshmen this year. The ceremonies were held for two days. The first day the upperclassmen bought their freshmen and broke them in to carrying books to class and other menial tasks. The second day the freshmen really got a taste of initiation. They went through everything from dressing up in exotic costumes and eating mysterious things in cans to painting the "M." The freshmen took it all remarkably well and everyone had fun. Now that they have been well initiated we can proudly call them Mayer Freshmen.

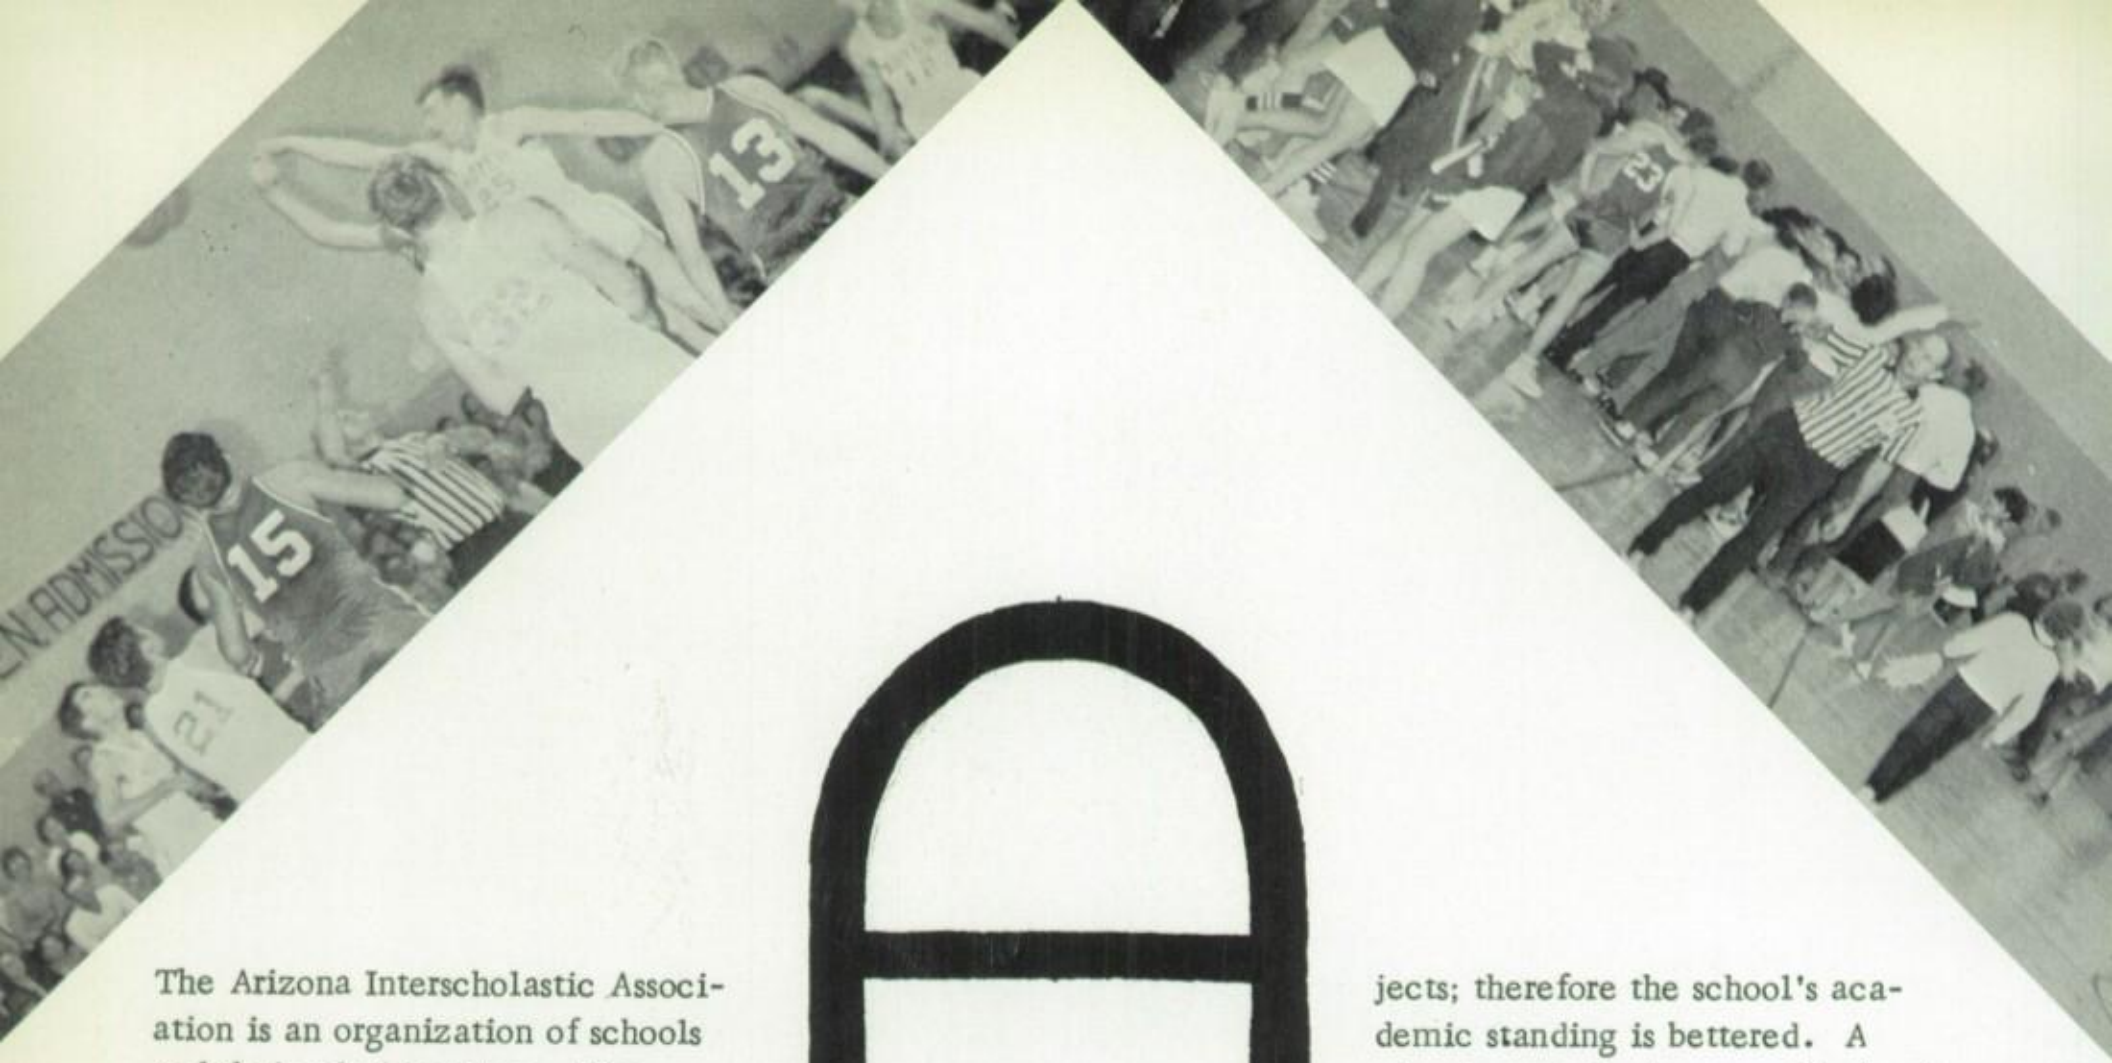
SPORTS



The Arizona Interscholastic Association is an organization of schools and their administrators. The A.I.A. regulates all interscholastic meetings in all events from sports to foreign language. It regulates home events as well as events at other schools.

The A.I.A. has been a beneficial addition to our school. It has put forth a challenge to the students at M. H. S. to beat their opponents and come out top in the state.

Many qualifications must be met in order for our teams to be a part of this statewide program. Each team member must get passing grades in at least three solid subjects; therefore the school's academic standing is bettered. A school must also be accredited and have certain facilities and instructors.

The games away from home are much appreciated by the students of M. H. S. They give our teams a chance to travel to many parts of the state and observe other schools and students. Many new friends and acquaintances throughout Arizona are also made by the boys on the teams.

The students greatly appreciate every chance to show their ability to the other teams of the state and to hope and work for the top position. Lots of luck to them all!

1966 was a year of success and gain for Mayer High in the basketball season. The basketball teams were the highlight of our athletic program. As a part of the Class C Conference our Mayer Wildcats learned sportsmanship and ranked eighth in the Northern Division, with a five loss, five win record. By winning a required number of games they were able to participate in the C North Tournament and came back with a sixth place standing.

Jon Davies and Dick Stanford represented our varsity team as co-captains.

Through the season our team pulled several upsets, beating top ranked Camp Verde in an overtime and surprising a confident Sanders team.

Dick Stanford, ranked third in the county, was chosen as our most valuable player.

CHEERLEADERS

"Go. Wildcats!" bounces off the walls of the Mayer High Gym as the five cheerleaders--Sharon Dyer, Linda Paulsen, Glenda Hall, Sandra Baker, and Mickey Smith--lead the student body during the basketball pep assemblies. These girls embodied the spirit of the school with their enthusiasm and their yells. Elected by popular vote, Mayer's cheerleaders show good sportsmanship by going to the opponents side and leading them in a yell.

Although being a cheerleader requires a lot of effort it is well worth it when all the students yell and the Wildcat team goes on to victory.

GIRLS VOLLEYBALL

The girls volleyball team has made much improvement this year. The girls met each day after school with their new coach, Miss Nelson, and practiced hard till 5:00 P.M. They elected Louisa Pena as their team captain. We would like to thank the Civic Improvement Club for sponsoring our team in the Prescott Recreation League. We are very proud of our girls this year not only for their sportsmanship, but for their school spirit.
